Rules

The judges will qualify a maximum of 15 horses. Should any qualified horse withdraw from this class; a reserve horse from the qualifying venue will be invited to compete at the Final.

Any owner who has not entered and paid for their animal by 30th July @ 5pm will automatically be replaced by a reserve horse. It is the responsibility of the owner to enter their animal by the due date for the qualifier. Selection or non-selection of horses at each venue is totally at the judges' discretion.

Horse Passports must be available for inspection by judges at the qualifiers and the Final.

In the interest of safety in the collecting rings at the Show, stallions will compete first.

Owners are advised to ensure that their entry is presented by a competent handler and appropriately tacked with a bridle and bit. This class will run as per a specific drawn order and will be notified of their times before the event.

Tack

Horses to be presented in a Simple Snaffle bit (as defined by FEI rules) and Chiffney (if required).

Stallions should be appropriately tacked with an in-hand bridle with bit and a leather lead shank of a minimum length of 12ft. Double bridles are not permitted. No hind boots or bandages permitted.

One qualifying venue has been selected, Goresbridge Horse Sales, 13th August 2020. Top 15 horses will come forward to the Final at the Irish Breeders Classic show.
